## **Choloma, Honduras**

Community that has often been served by our annual mobile medical clinic will now have a corps. This community will now be served by The Salvation Army year round!

## **Caracas, Venezuela**

The capital city of Venezuela will finally have a Salvation Army corps to serve the needs of this community. This country is hurting and is going through political, economic, and food crises. A house church that meets the needs of their surrounding community is needed and on its way!
