

Partners in Mission: Sri Lanka Territory

As we work together toward a brighter future, join in prayer for our brothers and sisters in the Sri Lanka Territory:

The territory's theme this year is "Mission One to One 21." Pray for Salvationists as they focus on sharing the gospel in the communities where they live.

In a country with a history of religious and political unrest, pray for unity within The Salvation Army.

Pray for the plans regarding property development that might lead to financial security for the territory.
