

Thank you for your generous offerings to World Services/Self-Denial. Your gifts are making a global impact by funding vital projects and sustaining daily operations of Salvation Army ministries overseas. Below is a sample of the projects your offerings have funded last quarter. Thank you for partnering to bring hope and transformation around the world!

Jamaica - Vehicle

This project will provide a reliable vehicle to support a corps in its ministry and emergency response activities. This corps is playing a pivotal role in supporting relief and recovery efforts following Hurricane Melissa.

Latvia - Live Interpretation Equipment

The Salvation Army in Latvia operates daily in three languages—English, Latvian, and Russian. High-quality wireless translation equipment will be purchased for use during Regional Events, Training Sessions, Officers Councils, and similar gatherings.

Moldova - Officer Leadership Development

Two leadership development events will be held to intentionally affirm officers' calling, deepen their spiritual life, and equip them with the tools and insights necessary to lead effectively.

Poland - Summer Camp 2026

This project will allow 35 children to participate in a 7-day summer camp experience where they will have the opportunity to discover their talents, make new friends, and learn something new about God.

Uruguay - Youth Councils

This project will allow approximately 40 young people to come together for Youth Councils weekend of worship, sharing, and learning. The theme for the event will be "Looking Up."
