

Thank you for your generous offerings to World Services/Self-Denial. Your gifts are making a global impact by funding vital projects and sustaining daily operations of Salvation Army ministries overseas. Below is a sample of the projects your offerings have funded last quarter. Thank you for partnering to bring hope and transformation around the world!

Congo Brazzaville - Building Improvements

This project will fund a contractor who will construct a drainage system and rebuild the sections of the wall that collapsed at the Officer Training College and THQ Officers' quarters. In addition, there are plans to install gutters to redirect rainwater.

Kenya East - Marriage Enrichment for Officers

A marriage enrichment workshop will be held for officer couples who have been married between 1-10 years. The goals include strengthening their relationships, promoting healthy family life, and supporting couples in navigating the early years of marriage.

Portugal - Instruments

This project will provide 8 new brass instruments for the Lisbon, Portugal Corps. These new instruments will help to encourage the growth and continuity of musical activities and ministry in the corps.

Southern Africa Territory - Laptops

This project will replace 15 older laptops across THQ, Divisions, and Centers. By replacing outdated laptops, staff will be better equipped to support ministry operations, enabling faster communication, accurate reporting, and more effective service delivery.

Spain and Portugal Territory - Men's Camp

The Spain and Portugal Territorial Men's Camp will focus on strengthening delegates spiritually, emotionally, physically, and socially. The camp will include times of worship, workshops, sports activities, and fellowship.
